**PLEASE TAKE THE 3 STEPS BELOW:
*TAKE ACTION NOW!***

1

Call your IL **State Representative** to
VOTE "NO" on the following bills:
VOTED ON NEXT WEEK (MARCH 6 / MARCH 7)

HB 1469 - MAGAZINE BAN

Bans the sale, purchase, transfer or possession of any magazine over 10 rounds and use or possession of body armor (applies to all gun owners; even retired law enforcement or veterans.)

HB 772 - NO DUE PROCESS FOR GUN OWNERS

Creates the Lethal Order Protection Act that would allow family members, ex-spouses, and even former girlfriends/boyfriends to petition the courts to have you labeled a "danger to yourself or others" just for owning a firearm. You would have your firearm seized without due process and you would need to cover all legal fees to get your property back and clear your name.

HB 772 would force you to surrender your FOID card, CCL and all firearms (and maybe loss of a job where firearm possession is required). This is literally the definition of "guilty until proven innocent."
